# **TOWN WARRANT**

State of New Hampshire

TO THE INHABITANTS OF THE TOWN OF CONWAY, County of Carroll in the State of New Hampshire, qualified to vote in Town Affairs:

You are hereby notified to meet at Kennett High School Auditorium at Conway, New Hampshire, on Tuesday, the eleventh day of March, 1980, at nine o'clock in the forenoon to act upon the following subjects hereinafter set forth. Voting on Articles 1, 2, and 3 will be by official ballot and the polls shall open for balloting at nine o'clock in the forenoon or as soon thereafter as the Moderator calls the meeting to order and declares a quorum present. The remaining articles of the Warrant shall be acted upon at seven o'clock in the evening or at the closing of the polls if the meeting shall vote to keep the polls open to a later hour.

**ARTICLE 1.** To choose all necessary officers.

**ARTICLE 2.** Are you in favor of the adoption of the Zoning Ordinance as proposed by the Planning Board?

**ARTICLE 3.** Are you in favor of abolishing the Planning Board as proposed by petition of the voters of this Town?

**ARTICLE 4.** To see if the Town will vote to adopt the procedure to elect the members of the Conway Planning Board to consist of seven members at the next annual Town Meeting all pursuant to RSA 36:4 as amended. Agreeable to a petition signed by William R. Marvel and others.

**ARTICLE 5.** To see if the Town will vote to rescind the Planning Board's authority over subdivisions. Agreeable to a petition signed by Allen L. Potter and others.

**ARTICLE 6.** To see if the Town will vote to limit the rate of municipal taxes to no more than .5% (\$5.00 per \$1,000.) of the assessed real estate in the Town. Agreeable to a petition signed by Mikal R. Curran and others.

**ARTICLE 7.** To see if the Town will vote to appropriate the sum of ninety thousand dollars (\$90,000.00) to construct a 60' x 100' 6-bay highway garage building which shall be used for the storage and/or minor repair of highway equipment, in accordance with the

preliminary plans and specifications as submitted by Richard Phillips, P.E., Ossipee, N.H., and to authorize the withdrawal of the amount required for this purpose from the Federal Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972. Recommended by the Budget Committee.

ARTICLE 8. To see if the Town will vote to appropriate the sum of thirty thousand dollars (\$30,000.00) to build a one-story addition to the existing Town Hall, said addition to consist of office, Selectmen's meeting room/office, and public restrooms, in accordance with preliminary plans submitted by Richard Phillips, P.E., Ossipee, N.H., and to authorize the withdrawal of the amount required for this purpose from the Federal Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972. Recommended by the Budget Committee.

ARTICLE 9. To see what sums of money the Town will vote to raise and appropriate for the following purposes:

**GENERAL GOVERNMENT**

- Town Officers' Salaries
- Town Officers' Expenses
- Election and Registration Expenses
- District Court Expenses
- Town Hall and Other Town Buildings
- Assessing and Perambulation of Town Lines
- Town Office Expenses

**PROTECTION OF PERSONS AND PROPERTY**

Capital Reserve Fund

**ARTICLE 10.** To see if the Town will vote to appropriate and authorize the withdrawal from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972 for use as setoffs against budgeted appropriation for the following specific purposes and in amounts indicated herewith or take any other action hereon:

Appropriation	Amount
Highway Equipment	\$ 8,500.00
Police Cruisers	<u>18,500.00</u>
	\$27,000.00

**ARTICLE 11.** Are you in favor of the installation of six (6) 30,000 H.P. Sodium street lights to be installed on Route 302 (Redstone Road, between the property of Arthur's Memorials and the intersection of Routes 113 and 302 (East Conway Road), and are you in favor of raising and appropriating the estimated annual base rate charge of

\$1,184.40, plus any applicable fuel adjustment charge (\$98.70 estimated monthly charge) for said street lights. Recommended by the Conway Board of Selectmen and the Budget Committee.

ARTICLE 12. To see if the Town will vote to raise and appropriate the sum of one thousand five hundred dollars (\$1,500.00) for the 1980 Fourth of July Parade, such funds to be given to the North Conway American Legion. Recommended by the Budget Committee.

ARTICLE 13. To see if the Town will vote to raise and appropriate the sum of five hundred dollars (\$500.00) to be placed in a Capital Reserve Fund for the purpose of equipment replacement and/or maintenance of the Center Conway Municipal Water System. Recommended by the Budget Committee.

ARTICLE 14. to see if the Town will vote to raise and appropriate the sum of one thousand one hundred dollars (\$1,100.00) in support of the Senior Meals and Wheels Program. Agreeable to a petition signed by Kenneth R. Hall and others. Recommended by the Budget Committee.

ARTICLE 15. To see if the Town will vote to raise and appropriate the sum of ten thousand one hundred three dollars and sixty cents (\$10,103.60) for the Visiting Nurse Services of Northern Carroll County, Inc., said sum being equal to \$1.45 per person in the Town of Conway. Agreeable to a petition signed by Robert L. Johnson and others. Recommended by the Budget Committee.

ARTICLE 16. To see if the Town will vote to raise and appropriate the sum of one thousand five hundred dollars (\$1,500.00) to help defray the expenses of the Water Safety Program as carried out by the Conway Chapter of the American National Red Cross. Agreeable to a petition signed by Arthur King and others. Recommended by the Budget Committee.

ARTICLE 17. To see if the Town will vote to raise and appropriate the sum of thirty thousand three hundred dollars (\$30,300.00) to assist the Conway Village Recreation Commission and the North Conway Community Center; \$15,150.00 to the Conway Village Recreation Commission and \$15,150.00 to the North Conway Community Center. Said sums to be allocated to the Conway Village Recreation Commission and the Board of Directors,

North Conway Community Center. Agreeable to a petition signed by Sheryl T. Carrier and others. Recommended by the Budget Committee.

ARTICLE 18. To see if the Town will vote to raise and appropriate the sum of four thousand dollars (\$4,000.00) to be divided equally between the Chambers of Commerce in both Conway and the Mt. Washington Valley Chamber of Commerce with \$2,000.00 going to the Conway Chamber of Commerce and \$2,000.00 going to the Mt. Washington Valley Chamber of Commerce. Agreeable to a petition signed by Theresa L. Kennett and others. Recommended by the Budget Committee.

ARTICLE 19. To see if the Town will vote to raise and appropriate the sum of twenty five thousand dollars (\$25,000.00) for The Memorial Hospital, North Conway, N.H. Agreeable to a petition signed by Chester B. Lucy and others. Not recommended by the Budget Committee.

ARTICLE 20. To see if the Town will vote to raise and appropriate the sum of two thousand seven hundred twenty four dollars and ninety cents (\$2,724.90) towards the support of the Children and Youth Project (C&Y). This sum is to be used for clinic and office space. Agreeable to a petition signed by Charles E. Yates, Jr. and others. Recommended by the Budget Committee.

ARTICLE 21. To see if the Town will vote to raise and appropriate the sum of three thousand dollars (\$3,000.00) to the North Conway Day Care Center to be used for Federal matching funds. Agreeable to a petition signed by Diane E. Bilotta and others. Recommended by the Budget Committee.

ARTICLE 22. To see if the Town of Conway will vote to raise and appropriate the sum of two thousand eight hundred dollars (\$2,800.00) for the Center of Hope, Inc. Agreeable to a petition signed by John Haley and others. Recommended by the Budget Committee.

ARTICLE 23. To see if the Town will vote to raise and appropriate the sum of one hundred dollars (\$100.00) toward the support of the Carroll County Human Services Council. This sum to be applied to the operating costs of the Council's Information and Referral Service. Agreeable to a petition signed by Norman Desjardins and others. Recommended by the Budget Committee.

ARTICLE 24. To see if the Town will vote to raise and appropriate the sum of three thousand six hundred eighty eight dollars and ninety cents (\$3,688.90) to assist the Carroll County Mental Health Service, Northern New Hampshire Mental Health Center, Inc. Agreeable to a petition signed by Thomas W. Crompton and others. Recommended by the Budget Committee.

ARTICLE 25. To see if the Town will vote to raise and appropriate the sum of fifteen hundred dollars (\$1,500.00) to assist in defraying operating and maintenance expenses at the Eastern Slope Regional Airport. Agreeable to a petition signed by Francis Deasy and others. Recommended by the Budget Committee.

ARTICLE 26. To see if the Town of Conway will appropriate the sum of two thousand dollars (\$2,000.00) to the White Mountains Region Association in support of promoting the vacation travel to this northern region, and in support of such other programs and activities which benefit the citizens and businesses of the White Mountains. Agreeable to a petition signed by Ralph L. Grindle and others. Not recommended by the Budget Committee.

ARTICLE 27. To see if the Town will vote to raise and appropriate the sum of sixty-five hundred dollars (\$6,500.00) for the installation and maintenance of dry hydrants within the Town of Conway. Agreeable to a petition signed by Francis Deasy and others. Recommended by the Budget Committee.

ARTICLE 28. To see if the Town will vote to raise and appropriate the sum of five hundred dollars (\$500.00) to publish the Minutes of the 1980 Town Meeting within two weeks after that meeting in the two local newspapers so that voters may have an opportunity to prove errors or omissions, and a correct copy may be placed in the permanent records. Agreeable to a petition signed by Helen E. Nute and others. Not Recommended by the Budget Committee.

ARTICLE 29. To see if the Town will accept a deed to the road located in the Birch Hill subdivision in North Conway known as White Horse Drive, said road being described as follows: beginning at a point on the Town road known as Ledgeview Drive and running to Forbes Drive, so called (also called Ledgeview Drive) said White Horse Drive being shown on a plan drawn on 3 sheets entitled "Highway R.O.W. Plan, White Horse Drive, Town of Conway, N.H."

dated September 1976 and drafted November 1976 by Thaddeus Thorne - Surveys, Inc. The road known as White Horse Drive shall thereafter be maintained as a town road. Agreeable to a petition signed by James W. Drummond and others.

**ARTICLE 30.** Are you in favor of changing the term of the Town Treasurer from one (1) year to three (3) years, beginning with the term of the Town Treasurer to be elected at next year's regular Town Meeting as per New Hampshire Revised Statutes Annotated 41:26-b.

**ARTICLE 31.** Are you in favor of authorizing the Tax Collector to appoint a Deputy Tax Collector, with the approval of the Selectmen, who shall be sworn and have the powers of the Tax Collector, in accordance with New Hampshire Revised Statutes Annotated 41:38.

**ARTICLE 32.** Are you in favor of authorizing the Collector of Taxes to accept prepayment of property taxes prior to issuance of the Tax Warrant, such payments not to be received before April 1st of any given year, in accordance with New Hampshire Revised Statutes Annotated 80:52-a.

**ARTICLE 33.** To see if the Town will vote to authorize the Selectmen to hire upon the credit of the Town such sums of money as may be needed, such sums not to exceed the combined school, town and county tax budgets, in anticipation for town, county and school purposes.

**ARTICLE 34.** To see if the Town will vote to authorize the Selectmen in behalf of the Town of Conway, N.H. to accept gifts and/or Federal or State aid in the name of the Town of Conway, N.H. applied for and to receive and expend them in accordance with the purposes thereof.

**ARTICLE 35.** To see if the Town will vote to authorize the Selectmen to sell, at their discretion, at public auction, any real estate in the Town to which the Town has title by Collector's Deed; except when it is being sold back to the former owner, or to a party who has succeeded to the title of the former owner, in which case private sale may be utilized; any such real estate to be sold and conveyed on or before the next annual Town Meeting.

**ARTICLE 36.** To act upon any other business that may legally come before said meeting.

Given under our hands and seal at Center Conway,  
New Hampshire, this 13th day of February, 1980.

William R. Barringer  
Charles V. Sturdivant  
William J. Hounsell

A true copy Attest:

## **TOWN OF CONWAY SELECTMEN**

The year 1979 was unusual by reason of the Town electing three Selectmen at one meeting. To the best of my knowledge this has not previously occurred.

The first order of business was a cease and desist order for the shut down of our incinerator. Immediately steps were taken to provide a landfill project and to initiate a study for refuse disposal. The study is underway on a regional basis and is exploring several avenues for consideration. This should be complete in the near future, at which time all residents will have an opportunity to discuss and decide which will be the permanent long-range solution.

The year 1978 was a period of reassessment in the Town of Conway and more than 135 abatement requests had to be reviewed in 1979. I am pleased to report most have now been completed, the exception being those few to be heard in Superior Court.

Due to budgetary problems, it was necessary that we reshuffle our office personnel. This we feel we have accomplished with excellent results and the Town Office now functions with a permanent full time staff of four persons: Assistant Town Clerk, Administrative Assistant, Financial Assistant and Secretary. With the purchase of a small computer, formerly the property of the School District, the Selectmen and Town Manager are kept fully abreast of income and expenditures each month. This up to date information not heretofore available provides a sound basis upon which future financial plans can now be projected. This computer operation will be further expanded in 1980 by the addition of several new programs.

The Board of Selectmen, after much deliberation, voted to withdraw the legal action pending before the Supreme Court and relating to the abolition of the Planning Board in 1978. The Planning Board was then reinstated with five new members appointed. The Board was charged with the preparation of a zoning ordinance and, in addition to their abnormally heavy workload, was able to prepare an ordinance which will be acted upon before the 1980 Town Meeting.

The matter of residency has posed a number of problems for the Tax Collector, Selectmen and taxpayers at large. Having considered the problem for some time, the Board of Selectmen initiated a residency requirement procedure. This requires that a prospective resident complete a short application and, in many instances, a personal interview before the full Board. We feel that this has eliminated a number of situations which had previously not been challenged. Out of state residents with seasonal homes now find it difficult to establish residency when their only purpose is to have their children enter the University System at the substantially lower tuition rate. This procedure has also reduced the number of out of state residents wishing to register their automobiles in Conway, but whose principal use is out of state.

The Town Highway Department received a great deal of our time this past year and we feel very fortunate that the vehicle purchasing schedule is back "on track." The Revenue Sharing Fund, previously unexpended, was used to purchase a heavy duty four-wheel drive Mack diesel truck, complete with plow and wing. In December we were able to trade in two of our 1979 trucks for more than the purchase price and obtained two heavier vehicles. The traded vehicles were found to be too small for the work they would be expected to handle. The purchase of three vehicles in 1979 means no vehicle will have to appear for purchase in the 1980 budget.

A study of the Town garage repair and storage facilities has indicated that some program should be started as soon as possible for enlarging and improving our present quarters. The Town owns and maintains approximately \$500,000 of equipment and the quarters presently available for storage and repair are inadequate. We feel that we must begin a project to protect and maintain such a large investment. A proposal for a new Town garage is being presented at the 1980 Town Meeting together with a proposed addition to the Town Hall. Office space is at a premium and the Selectmen now use the Courtroom for meeting purposes as well as other groups, namely the Budget Committee, Planning Board and other committees deciding Town matters. District Court proceedings are becoming more numerous and less and less time will be available for non-court use.

We are pleased with our fuel assistance program for our elderly residents. To date we have interviewed 22 applicants, most of whom we have been able to assist in some way. This is a program we hope will continue as there is a dire need for elderly assistance in these times of high energy costs.

Many hours this past year have been devoted to budgetary items. It is our hope and objective to set a future pattern for proper and adequate growth to the Town; to provide the best of services at the most reasonable cost possible. A great deal of thought and study has gone into the 1980 budget, one we feel will provide a sound fiscal base without creating a financial burden to the taxpayer.

Our sincere thanks to everyone who helped us this past year with the numerous problems facing the Town, most particularly, the Town employees without whose efforts the job could not have been done.

William R. Barringer, Chairman  
Board of Selectmen

**KILLION, PLODZIK AND SANDERSON  
ACCOUNTANTS AND AUDITORS  
171 North Main Street  
Concord, New Hampshire 03301**

**TOWN OF CONWAY  
AUDITOR'S OPINION**

We have examined the financial statements of the various funds and groups of accounts of the Town of Conway, New Hampshire for the year ended December 31, 1978 listed in the foregoing table of contents. Our examination was made in accordance with generally accepted auditing standards, and accordingly included such tests of the accounting records as we considered necessary in the circumstances.

The Town of Conway has not maintained a record of its general fixed assets, and accordingly a statement of general fixed assets, required by generally accepted accounting principles, is not included in the financial report.

In our opinion, the financial statements listed in the aforementioned table of contents present fairly the financial position of the various funds and groups of accounts of the Town of Conway, New Hampshire at December 31, 1978 and the results of operations of such funds for the year then ended in conformity with generally accepted accounting principles applied on a consistent basis.

The supplemental schedules included in this report, although not considered necessary for a fair presentation of the financial position and results of operations of such funds and group of accounts, are presented primarily for supplemental analysis purposes. This additional information has been subjected to the audit procedures applied in the aforementioned examination of the basic financial statements and is, in our opinion, fairly stated in all material respects in relation to the basic financial statements taken as a whole.

**KILLION, PLODZIK AND SANDERSON**

March 6, 1979

**TOWN OF CONWAY  
LETTER OF TRANSMITTAL**

Members of the Board of Selectmen  
Town of Conway  
Conway, New Hampshire

Gentlemen:

Submitted herewith is the report of an examination of the financial statements of the Town of Conway, New Hampshire for the year ended December 31, 1978. Exhibits as hereafter listed are included as part of the report.

## FINANCIAL STATEMENTS

### General Fund

Balance Sheet .....	Exhibit A-1
Statement of Changes in Fund Balance .....	Exhibit A-2
Statement of Estimated and Actual Revenues .....	Exhibit A-3
Statement of Appropriations and Expenditures .....	Exhibit A-4

A balance sheet disclosing the financial condition of the general fund at December 31, 1978 is presented in Exhibit A-1. As indicated therein, the unappropriated fund balance amounted to \$139,635 at December 31, 1978. A statement of the changes in fund balance is shown in Exhibit A-2.

Statements of estimated and actual revenues, appropriations and expenditures are included in Exhibits A-3 and A-4, respectively. As indicated therein, estimated revenues exceeded actual by \$181,877, while appropriations exceeded expenditures by \$69,068, resulting in a 1978 budget deficit of \$112,809.

### Capital Projects Fund

Balance Sheet .....	Exhibit B-1
Statement of Appropriations, Expenditures and Changes in Fund Balances .....	Exhibit B-2

A balance sheet of the capital projects fund at December 31, 1978 is presented in Exhibit B-1. A statement of appropriations, expenditures and changes in fund balances is contained in Exhibit B-2.

### Special Revenue Funds

Balance Sheet .....	Exhibit C-1
Statement of Revenues, Expenditures and Changes in Fund Balances .....	Exhibit C-2

A balance sheet of all the special revenue funds is presented in Exhibit C-1. These funds include federal revenue sharing and anti-recession fiscal assistance funds, comprehensive employment training act and Governor's Crime Commission funds, bicentennial committee, conservation committee, public library, district court, Hubbard and Davis Forest and R. Maranville cemetery funds. A statement of revenue, expenditures and changes in fund balances is contained in Exhibit C-2. The special revenue fund balances totaled \$114,495 at December 31, 1978.

### Trust and Agency Funds

Balance Sheet .....	Exhibit D-1
Statement of Revenues, Expenditures and Changes in Fund Balances .....	Exhibit D-2

A balance sheet and statement of revenues, expenditures and changes in fund balances of the trust and agency funds are presented in Exhibits D-1 and D-2, respectively. These funds include the Town and Library Trustees accounts and developers escrow deposits fund. Total trust and agency fund balances were \$106,286 at December 31, 1978.

### Debt Service Funds

#### Statement of Revenues, Expenditures and Changes in Fund

Balances ..... Exhibit E

A statement of revenues, expenditures and changes in fund balances of the debt service fund is presented in Exhibit E. The Town appropriated \$21,000 for principal and \$19,000 for interest payments for the current year redemption of serial bonds.

### Long-Term Indebtedness

#### Statement of General Long-Term Debt ..... Exhibit F

A statement of the general long-term debt of the Town is contained in Exhibit F. As indicated therein, the long-term debt amounted to \$361,000 at December 31, 1978.

### COMMENTS

#### Non-Compliance with the Provisions of the Municipal Budget Law R.S.A. 32:10

As indicated in the general fund statement of appropriations and expenditures (Exhibit A-4), there was a net overdraft of town budgetary appropriations of \$9,354 as a result of 1978 operations.

In cases of this sort, the provisions of the State municipal budget law require that the Board of Selectmen, with the approval of the Budget Committee, petition the Commissioner of Revenue Administration for a certificate of emergency which would authorize the expenditures to be made in excess of budgetary appropriations. The records do not indicate that this procedure was followed.

### Recommendation

In towns operating under the municipal budget law, R.S.A. 32:5 as amended in 1977, provides that "all moneys appropriated by the town,... shall be stipulated in the budget on a "gross" basis, showing revenues from all sources, including grants, gifts, bequests and bond issues, as offsetting revenues to appropriations affected..."

We recommend that the Town appropriate all future expenditures in accordance with the above statute requirements.

Our comments and recommendations relative to accounting procedures and the system of internal control are included in a separate management letter to the Board of Selectmen.

Very truly yours,  
KILLION, PLODZIK AND SANDERSON

# REPORT OF FOREST FIRE WARDENS AND STATE FOREST FIRE SERVICE

Prevention and control of forest fires is handled through a cooperative effort between town/city fire organizations and the State Forest Fire Service.

Since 1903, when the first forest fire laws were passed by our Legislature, the State Forester has appointed someone in each municipality as a Forest Fire Warden and charged him with the responsibility of forest fire prevention and control within his town/city. This person may ask the State Forester to appoint as many Deputy Forest Fire Wardens as may be necessary to efficiently carry out his charge.

The State Forester has divided the State into ten forest fire districts with a full time District Forest Fire Chief in each district. The State organization is charged with assisting the municipal forest fire organization in any way possible.

State personnel conduct fire training schools, assist with forest fire suppression, fire cause investigation, prosecution of fire law violators and forest fire prevention programs. Forest fire suppression equipment is purchased through State bulk purchasing ability and sold to local forest fire organizations at one-half cost. Excess military property is obtained and turned over to town/city fire departments at no cost to local departments for conversion into fire suppression units. This cooperation arrangement between State and municipality has resulted in one of the best forest fire records in the United States with less than one-half acre of woodland burned in each fire reported.

# CONWAY CONSERVATION COMMISSION REPORT

December, 1979

The Conservation Commission met almost monthly throughout the year and on several occasions had additional meetings and tours of town property.

During April 2,000 pine seedlings from the State Nursery were purchased and planted in Whitaker Woods in order to have different aged trees coming along. This project will be continued.

The majority of the town appropriation of \$2,000.00 was used to survey the Scenic Overlook and Shedd Woods properties on Route 16. The 1980 appropriation will be used to survey more town lands in East Conway.

Skiing, hiking and nature walks continue to be the major uses in Whitaker Woods and Pudding Pond. Plans are being made to allow Conway residents to obtain firewood for their own use. The Common Land forest has been inventoried and a road has been marked to allow for firewood cutting on about 40 acres. A firewood permit system will be a priority for the commission next year.

Since the Conservation Commission is responsible for the inventory of the town's natural resources, a wetlands inventory was completed this year by the University of New Hampshire Extension Service for the commission. This inventory encompasses 2,100 acres of land having poorly drained soils and identifiable vegetation that normally grows in wet areas. Maps have been made and are available to be used by individuals and the Town Planning Board.

Prime agricultural lands were also identified on a map and presented to the commission by the University of New Hampshire Extension Service. This map shows the changes that have taken place within the town as far as Development, Forest, Agriculture and Idle Land are concerned.

The Conservation Commission welcomes suggestions on the use of the town's valuable resource land. The commission is presently responsible for managing 10 parcels of land totalling about 1,300 acres.

## THE WETLANDS OF CONWAY, NEW HAMPSHIRE

### ABSTRACT

During the spring and early summer of 1979 a wetland survey was conducted on the wetland areas in the Town of Conway. The survey was formulated to serve as a tool to inventory, classify and evaluate wetlands within the town and to serve as a dated source for sound decision making concerning this valuable natural resource.

Upon completion of the survey, approximately 85 wetlands were delineated comprising 2,549 acres, and in addition 874 acres of wet woodlands were classified of the town's 42,204 acres. Approximately 8% of the town's total land area was of a wetland type (6%) or wet woodland (2%) category.

The majority of the wetlands were found to be associated with the major water bodies in town (Conway Lake, Dollof Pond, Pudding Pond, Pequawket Pond, Labrador and Snake Ponds), coupled with the many wetlands found within the floodplain and tributaries of both the Saco and Swift Rivers.

Once identified, these wetlands were evaluated from a geologic, hydrologic and biologic viewpoint to determine various values (e.g. water resources; wildlife; ecological uniqueness; forestry; aesthetic; recreation and education) these areas may possess. (Note: all wetlands are important; however, this evaluation process is developed to expose the 'prime' or significant wetlands within the town.) Of the wetlands evaluated, 12 (15%) had a high rating, 39 (50%) moderate and 27 (35%) received a low evaluation.

The following summarizes various natural resource potentials reviewed during the evaluation process.

**Water Resources:** Twenty-two (26%) of the wetlands had a ranking of high potential, 33 (39%) had a moderate ranking, while 30 (35%) had a low potential for water resource development.

**Forestry:** Only 5 (6%) of the areas had a high potential (for wetlands) for the development of forest products; other areas were insignificant.

**Wildlife:** Ten areas (410 acres, 16% of the total wetland acreage) had significant wildlife potential. Eighty-six acres (3% of wetland areas) of marsh land were particularly important as valuable wildlife habitat for waterfowl.

**Ecological Uniqueness:** Ten areas were considered ecologically unique; five of these areas contained bog vegetation.

**Education, Recreation and Aesthetics:** Thirteen wetlands were found valuable for this purpose.

## SIGNIFICANT WETLANDS', Conway N.H

Wetland Number	Name (Location)	Size (Acres)	Prime Values
39	Labrador Pond & Willey Brook	49	High quality wildlife habitat; high aesthetic and recreation potential.
49	Moat Brook & tributaries to Saco River	56	High groundwater potential; water resources; ecologically unique vegetation.
66	Swamp adjacent to Rte. 302	120	Forest products; water resources.
70	Mason Brook	32	Water resources; wildlife habitat; ecologically unique.
71	Black Brook swamp & bog	301	Water resources; ecologically unique bog; wildlife.
76	Weeks Brook complex	109	Water resources; wildlife habitat; aesthetics.
78	Upper Kimball Lake	34	Water resources; wildlife habitat; recreation; aesthetics.
57 & 85	Saco River Floodplain	378 & 94	Water resources; recreation; aesthetics; wildlife.
47 & 50	Swift River Floodplain	57 & 20	Water resources; recreation; aesthetics; wildlife.

### OTHER WETLANDS OF NOTE\*, Conway, N.H.

1	Dollof Pond complex	187	Recreation aesthetics; education; unique vegetation (bog).
8	Snake Pond complex	18	Unique vegetation (bog); wildlife; recreation.
12	Wooded swamp off Stark Rd.	81	Primitive location; unique vegetation (black gum trees).
42	Beaver flowage west of Gulf Rd.	26	Wildlife; recreation.
43	Headwaters to Shepard's River	11	Aesthetic; wildlife.
44	Black Cat Brook complex	86	Wildlife; recreation (hunting, fishing, trapping, etc.).
64	Pudding Pond	45 +	Unique vegetation; recreation; aesthetics; education; wildlife.

<sup>1</sup>. Significant wetlands are those areas that received a high natural resource evaluation.

<sup>2</sup>. Those wetlands receiving a high-moderate natural resource rating.

# REPORT OF THE LIBRARY TRUSTEES

1979

The Conway Public Library lobby and stacks were rearranged by the staff, in an effort to make the stacks more readily available to patrons. The result is an inviting and spacious appearing lobby. New shelves were added to the children's room, and a free-standing book-case provided for the many paperbacks which are donated.

Our librarian, Margaret Marschner, continues to be enthusiastic and original in her ideas for the betterment of service. Working relations between her and the trustees are excellent. The library is fortunate that Amy Gardner, Anna Carroll and Karen MacDonald continue on the staff as they are interested and competent. Karen MacDonald took a leave of absence when her son, Trevor, was born. During this time Polly Howe joined the staff. Mrs. Gardner again received a scholarship through the New Hampshire Library Council to take a public library techniques course at the University of New Hampshire. A student from the University of New Hampshire worked at the library during the summer on a work-study program, and several CETA (Federal Comprehensive Employment and Training Act) workers have been assigned to the library to receive training.

Members of the staff attended workshops and seminars sponsored by the New Hampshire Library system. Mrs. Marschner and Mrs. Proctor, trustee, attended the Post White House Conference on Libraries and Information Service, and several trustees and members of the staff attended the New Hampshire Library Council Conference at the Red Jacket.

The \$584 which was added to the library budget at the town meeting was used to defray the cost of microfilming the library's copies of *The Reporter* from 1900 to 1935.

In March the trustees were informed by the Selectmen that the town offices would not be able to do the library's bookkeeping as they had done in 1978. Ann Cullinan, trustee treasurer, assumed this responsibility, including the preparation of a monthly report of expenditures which was helpful in seeing how well the budget was being followed. Although Mrs. Cullinan did not anticipate this responsibility she did an excellent job. It is our hope that the town offices will again assume this task.

After serious consideration, the trustees decided to close the Center Conway Branch, effective December 31, 1979. The services of the State Library Bookmobile, one of its principal sources of books, were discontinued. The Pine Tree Elementary School in Center Conway now has a children's library. Furthermore, the Center Conway branch did not measure up to state standards. To bring it up to these standards would be expensive, and the trustees felt that such money could be better spent at the Conway Library. The loyalty and dedication of Mrs. Loraine Duncan as librarian at the Center Conway branch over many

years is much appreciated. Mrs. Marschner and the trustees were disappointed that Mrs. Duncan declined their invitation to join the staff of the Conway library, as her knowledge and experience would have been very valuable.

The trustees spent many hours discussing a rear entrance to the library, meeting with architects, local advisors and contractors, and finally decided that to have an entrance that would retain the beauty of the building would be far too expensive to attempt at present.

The North Country District Advisory Council of Libraries, of which Mrs. Marschner is Chairman, received a grant under the Federal Library Services and Construction Act for a computer to develop a union catalog for all libraries in the north country. The Conway Library will be the sponsoring library for this project.

Libraries which are members of the association called the Northern Carroll County Cooperative, compiled a pamphlet publicizing their summer programs. The local banks and The Reporter Press generously financed the printing of this pamphlet. Joint projects such as this have brought about good communications between local libraries.

Film programs were held throughout the year for adults and children. In addition to continuing to hold pre-school story times, a story-time program was started for two-year-old children and their mothers.

Karen MacDonald planned and conducted an eight week course in child care and baby sitting. This program was co-sponsored by the 4-H mothers. The police, first-aid instructors, kindergarten teachers, day-care personnel and a welfare officer cooperated in this program.

The enthusiastic support of the many people who volunteered their time and talents to the library is a gratifying indication of their appreciation of the library. These volunteer efforts included the repair of the tower clock by Lincoln Berry, a fine rear-entrance proposal drafted by Donald Flint of Kennett High School at the suggestion of his teacher Henry Anthony, the decoration of the Christmas tree and helping with the annual book sale (which netted \$323.70) by the Conway Woman's Club, the skill of Emanuel Lipstadt in relocating the desk in the lobby, the production of tapes for the Outreach program, providing and setting up exhibits, assisting in a bike rodeo, assisting with story times and providing for refreshments for meetings.

This increased community interest and involvement in the library is greatly appreciated by the librarian and the trustees.

1979 was a busy year for the Conway Public Library, with the number of research and reference questions totalling 1,427, a 39% increase over the previous year, and circulations of books, a substantial 32,162.

Helen Bumstead  
Chairman  
Library Trustees

## WATER SAFETY REPORT — 1979

In an effort to allow parents more flexibility in planning their children's summer activities, and to afford children from all parts of town an equal opportunity, the Water Safety Program tried a new system of registration last summer. Registration was held on a first-come, first-served basis at the Elks Club prior to the start of the program. As in the past, three month-long sessions were held, two at Echo Lake and one at Conway Lake, but all three were open to any child, regardless of village of residence.

This early registration allowed the maximum amount of program time to be spent on actual teaching. The six instructors - Ellen Gardner, Tracy Gardner, Nancy Gregory, Sheryl Lowd, Rick Rapone and Karen Sketchley - all did an excellent job. Instructor Mary McPherson, from the North Conway Day Care Center, assisted at Echo Lake. This year 224 children attended classes. Expenses were as follows:

\$1,419.14	Wages
288.70	Travel
86.96	Employer Social Security
<hr/>	
\$1,794.80	Total

Regulations forbidding the use of any equipment in the swimming area were enforced at Echo Lake last summer. A separate area, in which only required safety equipment may be used, was set aside for swimming lessons, but this area had no raft. This situation points once again to the need for Conway to have a swimming area of its own.

A great deal of interest was expressed in expanding the Water Safety Program to include infants and toddlers. Next summer we hope to set up an experimental program for this younger set, with safety as the main objective. One requirement of the program would be the active participation of one adult for each child enrolled. Anyone who expressed interest last year, but was not contacted, as well as any other person who would like to become part of this group is urged to get in touch with the committee.

The Water Safety Committee is seeking input from townspeople on ways to improve the program, including such things as registration, scheduling, sites, teaching methods and so on. Please drop a line to Box U, Conway, or call 447-6796.

Respectfully submitted,  
Kathryn A. Burnell  
Water Safety Committee

## **NORTH COUNTRY COUNCIL TO THE TOWN OF CONWAY**

In Conway, North Country Council is providing technical assistance to the Town Planning Board in assisting the Board to develop a zoning ordinance for the Town. Assisting the Town in the investigation of various alternatives for solid waste and the possibilities for an areawide effort, at the request of the Board of Selectmen, NCC initiated and completed a seasonal population study which included communities from Mount Washington Valley Area. Working with Conway Chamber of Commerce and other groups, NCC initiated a downtown improvement program for the Conway Village Area. Provided on-going information regarding water supply, waste water treatment and solid waste. Organized a meeting for the planning board with an environmental law attorney to review various local planning statutes and programs that the Town is involved in.

This past year of 1979 saw a mixture of planning and action for the North Country Council, Inc. Major contributions were made in rural and economic development, local planning, and transportation.

In rural development, the Council assisted approximately twenty-five communities in taking positive steps on such concerns as housing, downtown revitalization, water supply, and solid waste. The council has helped communities obtain needed housing resources. Working with appropriate state and federal agencies, the Council assisted targeted communities by preparing applications and by providing information so decisions can be made. In economic development, the Council assisted two communities with steps toward the creation of parks which will provide a necessary place for additional jobs. Energy development activities have encouraged the development of indigenous resources such as wood and hydro power. NCC has also been active in helping local companies with loan applications and business counseling, and in assisting a targeted community with a revolving loan fund. Additional business development services will be provided during the coming year to encourage existing area and other in-state businesses to expand or locate so that more jobs can be provided in the North Country. An industrial brochure has been published which promotes the quality of life in the region and the resources available for small companies.

Local planning assistance, such as master planning, subdivision regulations, zoning, review of development proposals continues to be a major function of the Council. This activity will take on greater significance with the N.H. Supreme Court's emphasis on local master planning as a basis for local regulations.

Technical reports have been prepared on Mt. Washington Valley's Seasonal Population and on wetland evaluation and management. Brief and informative fact sheets on community investment strategies, land capability and wetlands are also available.

To advocate North Country transportation needs at the state and federal level, a Transportation Committee has been organized with representatives from different communities and transportation sectors.

The Council acts as a "regional spokesman" with membership on the Governor's Advisory Committee on Growth, the N.H. Environmental Law Clinic, and the State's Forestry Resources Committee. By sponsoring forums and conferences on growth in the forest industry, agricultural development, and regional land use, the Council has brought together people, ideas, and resources to generate appropriate solutions.

We believe that the Council has a program that can assist its rural communities in meeting the challenges and opportunities of the 1980's. The Board of Directors, the staff and the entire Council greatly appreciates the support your Town has provided in 1979 and over the last few years. Please call us at 823-8108 if the Council can be of service to your Town.

Respectfully submitted,  
NCC Representatives  
John Walsh  
Douglas Burnell

# PLANNING BOARD

## CHAIRMAN'S REPORT

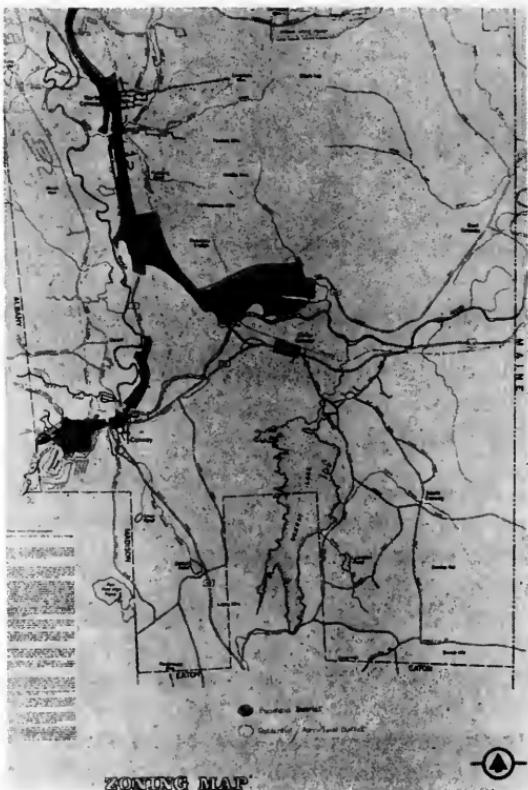

The Town's Planning Board took official office on April 11, 1979 after over one year of inactivity. The work that was before the Board was formidable. There was over a year's backlog of subdivision business to catch up with and all of the problems that went with it. It was also necessary to keep the present year's subdivision business current, and there was a motion presented to the Planning Board from the selectmen to create a zoning proposal for the people to vote on in March. A Special Town Meeting was held on the Flood Plain Ordinance and amendments were passed giving authority to the Planning Board on the granting of variances to that Ordinance.

The Board did admirably well to confront the tremendous work load placed on them, and the results of many hours of work by the Board culminated in the completion of all its commitments.

On April 11 the Board of Selectmen appointed four new members to the Conway Planning Board. The two remaining members of the existing Board were Mr. Timothy Duprey and Jay K. Hounsell. Newly appointed members were Mrs. Pauline Hall, Mr. John Small, Mr. David Nichols and Mr. Paul Whetton. There were two resignations during the year, first Mr. Timothy Duprey and then Mr. David Nichols. They were replaced by Mr. Robert Twombly and Mrs. Marlis Whittier, respectively. The Selectmen's Representative to the Board has been the Chairman of the Board of Selectmen, Mr. William Barringer.

The first regularly scheduled Planning Board meeting was on April 12, 1979. Officers of the Board were elected: Mr. Jay K. Hounsell was elected Chairman, and Mrs. Pauline Hall was elected Secretary. Between April 12, 1979 and January 31, 1980, the Planning Board met 56 times, 39 meetings were considering subdivisions and 17 meetings were dealing with zoning. There were 46 subdivisions considered, resulting in 145 lots approved, and 362 dwelling units approved, both condominiums and apartments. There were 13 lot line adjustments considered and approved and two considerations of the removal of restrictions on property. There were two considerations for flood plain variances, and the Planning Board worked on and created a zoning proposal for consideration at the March 1980 Town Meeting. There were also 268 Intents to Build issued in the Town of Conway between April 17, 1979 and January 29, 1980.

There was \$1,500 raised and appropriated from the floor of the 1979 Town Meeting to cover the cost of the two years' work load of the Planning Board. There was an expenditure of \$3,896.21 and a return to the General Town Fund of \$1,840 for a total overexpenditure of \$595.81

This past year was a year of tremendous responsibility for the Planning Board. The problems that the Board faced were each unique, and each had to be dealt with individually; yet each had to be handled with a standard that could be applied to everyone. There were many times within the year when members of the Board did not agree. There were difficult decisions to be made both individually and as a committee. Oft times it was difficult being before the public and being forced to make a commitment or voice an opinion without fear of chastisement or ridicule from one group or another.

I would like to say that I don't feel that any other group of citizens or Town Body could have represented the Town any better or handled themselves and their problems any more fairly than the group of citizens that have volunteered to serve and were appointed to the positions that create the Town of Conway Planning Board. This last year has been a formulative year for this Planning Board, and the Town can expect fair and proper representation in the future.

Respectfully submitted,  
Jay K. Hounsell  
Chairman  
Town of Conway Planning Board

## **REPORT OF THE POLICE COMMISSION**

During the past year the Police Department operated in a very satisfactory manner under the able leadership of Chief Lance.

In the past year there were a few changes in personnel. Patrolman James Coogan resigned to take employment with Abbotts Dairy. Patrolman Coogan was a fine police officer and will be missed. Patrolman Richard Roderick resigned to take employment with Dexter Shoe Company. Patrolman Roderick did a good job and it is hoped that he will remain as a Special Officer. The following named were appointed full time patrolmen: John Roberts, Jr., Leon Shackley and Chester West. Appointed as Special Officers were Robert Stack, Steven Moore, Robert Kurz and Samuel Hyland.

Susan Verney was appointed Truant Officer and is very busy in performing her duties as such.

### **PROMOTIONS**

There were two promotions made this past year. After completing an oral and written examination, Patrolman Mark Wagstaff was promoted to Sergeant. Detective Patrolman Roger Anthony was promoted to Detective Sergeant.

## CADET PROGRAM

Thomas Dewhurst, Eric Porter and O. Jonathan Saxby joined the Cadet Program this past summer and showed a great deal of interest in the operation of our Police Department. They did a good job and we take this opportunity to commend them.

## CRUISERS

The Commission opted for smaller cruisers this past year and purchased Chevrolet Malibus which have proven to be much more economical to operate.

## CIVIL AIR PATROL

Commander Douglas Williams requested the Commission to assist his organization in keeping a log for them in regard to their communications during a disaster. The Commission agreed to do so.

The Police Commission has had a good working relationship with the Selectmen this past year and look forward to continuing a favorable relationship in the year ahead.

Finally we would like to thank the New Hampshire Conservation Officers, Carroll County Sheriff's Department, Laconia Police Department and the New Hampshire State Police for their able assistance during the week of Volvo Tennis. Their help was very much appreciated.

May we suggest that your Police Department operates twenty-four hours a day, three hundred sixty-five days a year. If you need assistance, someone is always there.

Respectfully submitted,  
THE CONWAY POLICE COMMISSION

Maurice Frechette, Chairman  
J. P. Roberts  
Paul W. Hutchins, Jr.

## **REPORT FROM THE CHIEF OF POLICE**

The Conway Police Department had a very active year in 1979. I have prepared nine bar charts and three grid maps to present the primary areas of activity.

The chart of "criminal offenses" exhibits a reduction in offenses reported. I feel this reduction significant whereas national crime trends reflect an increase.

The "property" chart reflects increases in the amounts of property stolen and recovered. These statistics reflect the continuing problem of burglary and theft.

The "calls for service" chart reflects the number of requests for police services received at the station by telephone or in person. This area of service represents a 31% increase over 1978.

The "phone calls received" chart reflects a daily average of ninety phone calls.

The "accidents" chart reflects the individual traffic accident categories. 1979 was marred by three tragic fatal accidents.

The "motor vehicle" and "activity" charts reflect the daily enforcement and service activities of the department.

The "miles driven" chart reflects a daily average of 787 miles driven by the department.

The three grid maps depict where the accidents, burglaries and calls for service occurred in 1979.

The individual grid totals represent the number of accidents, burglaries or calls for service requiring police response within each block.

Additionally, the department is continuing to improve its effectiveness by providing Crime Prevention Surveys to lessen the possibility of burglary and theft. Assistance in recovering funds lost through "bad checks" and assistance in reducing theft caused by "shoplifting."

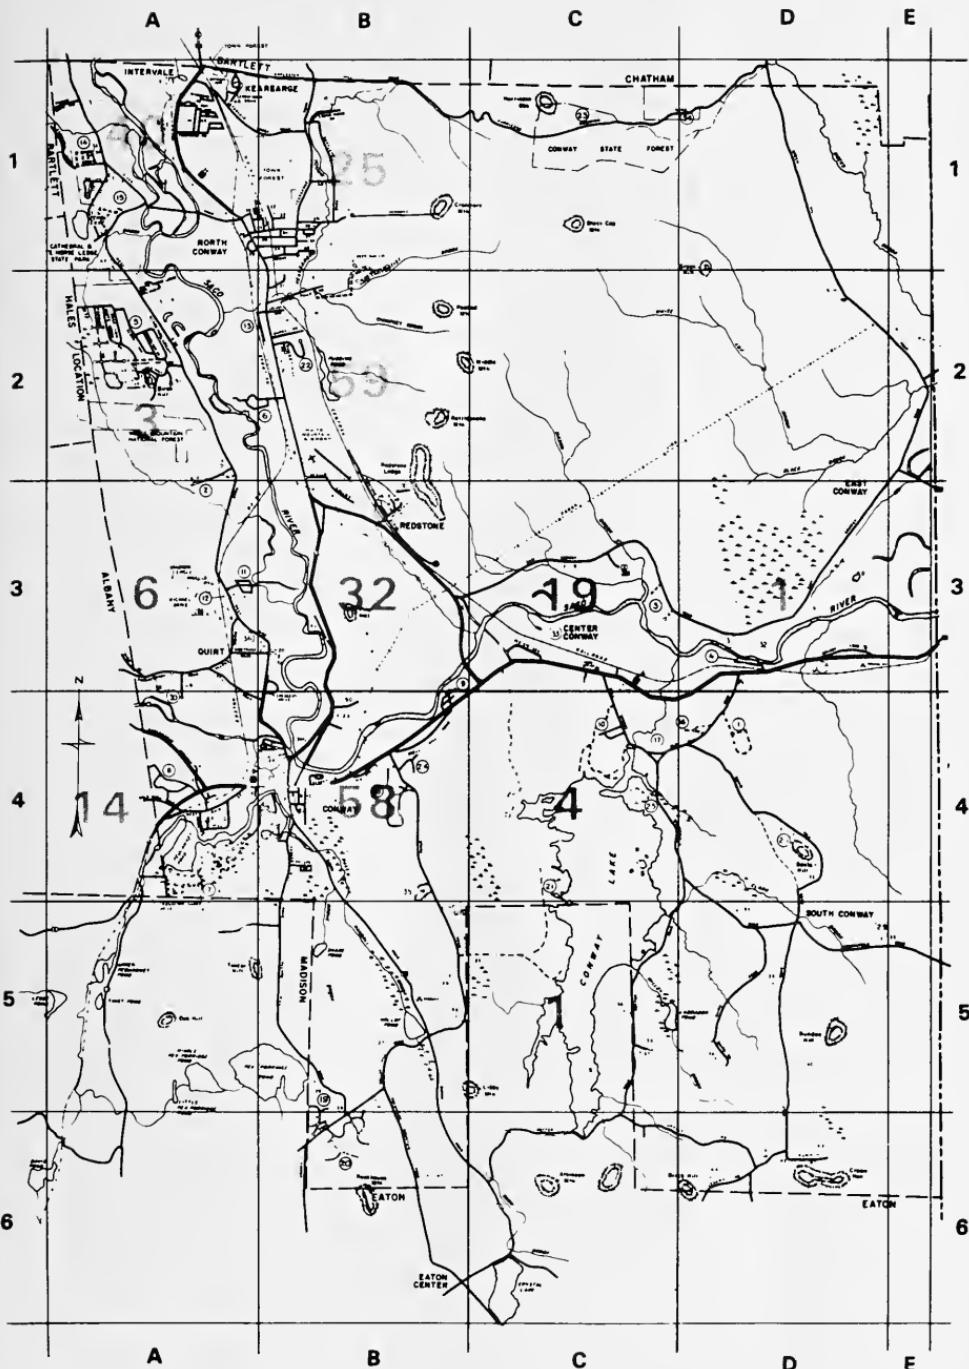

The Juvenile Crime problem is being addressed through the efforts of our Juvenile Officer and with the cooperation of the Court Diversion Committee. The effectiveness of law enforcement in dealing with Juvenile Crime has been greatly reduced by recent changes in the laws pertaining to juveniles.

The Animal Control Officer has handled two hundred and fifty animal complaints and issued twelve restraining orders against dog owners.

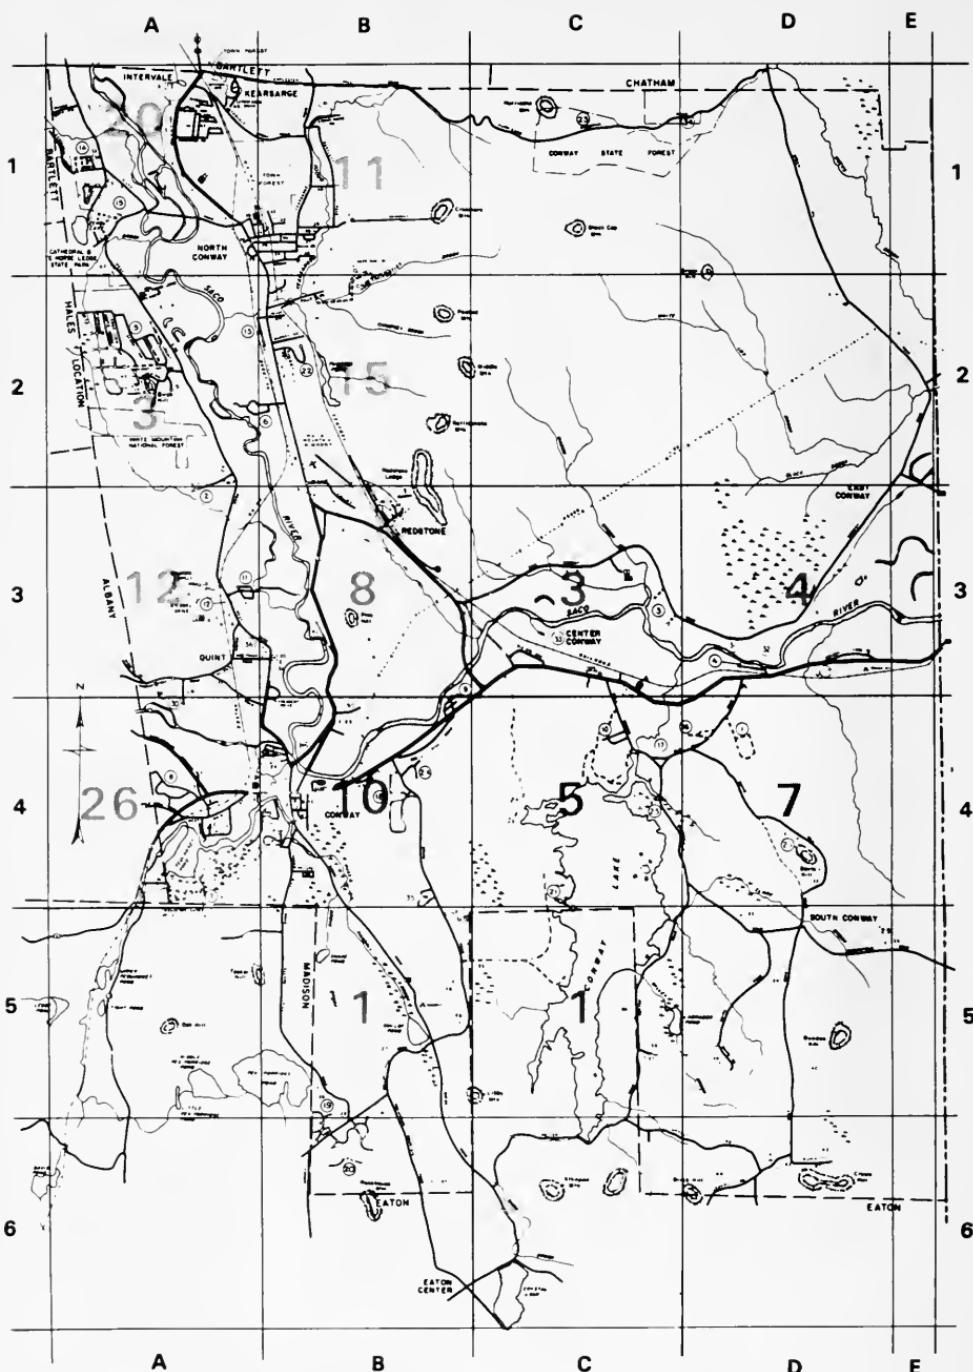

On behalf of the members of the Conway Police Department I would like to express our thanks for the support we have received from the community. In return we will continue to improve our level of service to the community.

Donald S. Lance, Jr.
